

# ONE-SHEETS → GOING DEEPER

*Parking lot. Return when the foundation set is finished.*

**Decision (31 Aug 2026):** Stay On-Purpose. Finish the high-search one-sheet priority queue first. Do not expand into “Going Deeper” versions until the core free-resource set is complete and in use. Each one-sheet is a doorway. The infinite loop is real. We choose when to walk through it.

## LAYER MODEL

- **Layer 1 — One-Sheet** · Single idea · High-search FAQ · Free download · Pinterest-ready
- **Layer 2 — Going Deeper** · Same topic, more physiology/nuance · Substack or second sheet · Only when demand or programme needs it
- **Layer 3 — Programme** · Foundation Level / Going Deeper volume already holds the full map

## DONE (FOUNDATION ONE-SHEETS)

- More Muscle · Same Awareness
- Fat Loss Without the Panic
- Energy Is Not a Mood
- Libido Follows the System

## STILL IN PRIORITY QUEUE

- How to Begin Without Overhauling Your Life
- Sleep as Training
- The Scale Is Not the Score
- Protein — How Much Do I Actually Need? (standalone)
- What Should I Eat? (Bite It–Write It anchors)
- Stubborn Fat / Belly Fat — What Actually Moves
- Stress, Cortisol & the Urge to Keep Pushing

## BRAND-FUNDAMENTALS (AFTER THE FAQ SET)

- Salt & Water · Light · Rest Days · First Meal · The Plateau · On Purpose or by Accident · One Cue Beats Ten

Hand notes / ideas for later expansion:
